

BASIC INSTRUCTIONAL PROGRAM
REQUIRED INSTRUCTION (SECONDARY)

EHAC
(LEGAL)

Courses in the foundation and enrichment curriculum in grades 6–12 must be provided in a manner that allows all grade promotion and high school graduation requirements to be met in a timely manner. The District is not required to offer a specific course in the foundation and enrichment curriculum except as specified in 19 Administrative Code 74.3. *19 TAC 74.3(c)*

GRADES 6–8

A district that offers grades 6–8 must provide instruction in the required curriculum as specified in 19 Administrative Code 74.1, relating to essential knowledge and skills. The District must ensure that sufficient time is provided for teachers to teach and for students to learn English language arts, mathematics, science, social studies, fine arts, health, physical education, technology applications, and to the extent possible, languages other than English. The District may provide instruction in a variety of arrangements and settings, including mixed-age programs designed to permit flexible learning arrangements for developmentally appropriate instruction for all student populations to support student attainment of course and grade level standards. *19 TAC 74.3(a)(1)*

PHYSICAL ACTIVITY
REQUIREMENTS

The District shall require students in grades 6–8 to participate in moderate or vigorous daily physical activity for at least 30 minutes for at least four semesters during those grade levels as part of the District's physical education curriculum.

The District may as an alternative require a student enrolled in a grade level for which the District uses block scheduling to participate in moderate or vigorous physical activity for at least 225 minutes during each period of two school weeks.

EXEMPTIONS

The District must provide an exemption for:

1. A student who is unable to participate in the required physical activity because of illness or disability; and
2. A student who participates in an extracurricular activity with a moderate or vigorous physical activity component that is considered a structured activity and meets the requirements for extracurricular activity as defined at 19 Administrative Code 76.1001.

The District may allow an exemption for a student on a middle or junior high school campus participating in a school-related activity or an activity sponsored by a private league or club only if that activity meets each of the following requirements:

1. The activity must be structured;
2. The Board must certify the activity; and

The instruction in personal financial literacy must include instruction on completing the application for federal student aid provided by the Department of Education. In fulfilling the requirement to provide financial literacy instruction, the District may use an existing state, federal, private, or nonprofit program that provides students without charge the described instruction.

19 TAC 74.3(b)(2); Education Code 28.0021(b)

The District must provide each student the opportunity each year to select courses in which he or she intends to participate from a list that includes all courses listed above. If the District will not offer all required courses every year, but intends to offer particular courses only every other year, it must notify all enrolled students of that fact.

The District shall teach any course a student is specifically required to take for high school graduation at least once in any two consecutive school years. For a subject that has an end-of-course assessment, the District shall either teach the course every year or use alternate delivery systems, as described in 19 Administrative Code Chapter 74, Subchapter C, to enable students to earn credit for the course and shall maintain evidence thereof.
